## SALMON NET AREA

Complete this section to register a vessel for salmon net fishing if the salmon net area was not designated at the time the vessel was licensed for the current year. You may also change the designated area, as long as the vessel has not fished in the original area of registration. If the vessel has already fished in the original area, the Commissioner of the Department of Fish and Game must authorize the request to re-register in a different area and a copy of the authorization must be attached to this form. The current year's vessel license receipt **MUST** be returned with this form.

- The vessel has been licensed but has not yet been registered for a salmon net registration area for 20\_\_\_\_.
- The vessel has been registered for a salmon net registration area in 20\_\_\_\_ but has NOT participated in salmon fishing in that area.
- The vessel has participated in salmon net fishing in 20\_\_\_\_ in the original registration area, but I have been authorized by the Commissioner of Fish and Game to re-register the vessel as provided in 5AAC 39.120. A copy of the authorization must be attached.
