### General Information: PLEASE READ

- The legislature designed the limited entry permit system to ensure commercial fishing privileges in Alaska benefit **individuals** who **actively participate** in the fishery. Consequently, the leasing of entry permits is generally prohibited.
- However, a temporary emergency transfer may be granted to alleviate hardship if illness, disability, death, required military or government service, or other **unavoidable hardship prevents** a permit holder from participating in the fishery. Note: "hardship" means privation and suffering, and does not include the results of a permit holder's own economic decisions, nor the results of economic, biological, or regulatory variables which are normally part of the risk of doing business as a fisherman.
- Emergency transfer requests are evaluated on a case-by-case basis by the Commission; only those requests authorized under the CFEC transfer regulations will be granted. 20 AAC 05.1740(b),(i); 20 AAC 05.1750(b),(f).
- The burden of proof is on the applicant to prove an emergency transfer request complies with CFEC regulations. Applicants are encouraged to answer all questions on the application form as specifically and completely as possible; blank or one-word answers may result in a denial of the request. Applicants may be asked by staff to submit additional information in support of a transfer request; failure to provide such information may result in a delay or denial of the request.

### Instructions:

#### To request an emergency transfer as a permit holder:

- Please refer to CFEC regulations 20 AAC 05.1740(b) and 20 AAC 05.1740(i).
- If the transfer request is due to an illness, injury or disability, a "physician's statement" form completed by a medical professional who examined the applicant is required.
- Be sure to identify **all** hardships (injuries/illnesses) that currently prevent you from fishing.
- If you are dealing with a long-term illness or injury, be sure to describe your efforts/plan to return to the fishery in the future.

#### To request an emergency transfer on behalf of a permit held by an estate:

- A Personal Representative authorized by a court should complete the application form. If a Personal Representative has not been appointed, the surviving spouse or next of kin may complete the application.
- A death certificate must be provided to CFEC along with the application (unless a copy is already on file).
- A "physician's statement" form IS NOT required.
- The applicant must provide proof that the probate process has not been finalized and/or is still ongoing. 20 AAC 05.1750(b).

#### To request an emergency transfer if you received the permit by right of survivorship, designation, or inheritance:

- Emergency transfers may be granted for the 3 years after the decedent's death. 20 AAC 05.1750(f).
- Additional emergency transfers may be granted beyond the 3-year period if there are 'extraordinary circumstances' involved.

### ATTENTION ALL APPLICANTS:

- The entire application form must be completed by both the permit holder and the proposed transferee.
- The annual permit renewal fee must be paid. Include a permit application form if the permit has not been renewed.
- If an embossed permit card has already been issued for the current year, the applicant must return the card or provide CFEC with proof that the card has been destroyed.
- A \$50.00 transfer fee must be submitted.
- The signatures on the application form must be notarized, but the parties do not have to sign it at the same time or place.
- If the transferee will be fishing from a vessel that is not licensed for the current year, the transferee must submit a 'Vessel License Application' and pay the applicable fee before an embossed permit card can be issued. 20 AAC 05.560(e).
- Where an illness, disability, or other unavoidable hardship began or death occurred in close proximity to the opening of fishing season or during the fishing season, the Commission or agent of the Commission may authorize temporary fishing privileges while a properly filed request for an emergency transfer is under review by CFEC. 20 AAC 05.1740(g).
- **PLEASE NOTE:** If during the emergency transfer period the transferee engages in conduct which generates demerit points in a salmon fishery, the transferor will be assessed the same number of demerit points as the transferee. AS 16.43.855(d).

#### Processing of the request and right to request a hearing:

Please send emergency transfer requests or questions to [dfg.cfec.transfers@alaska.gov](mailto:dfg.cfec.transfers@alaska.gov). You may also call CFEC Licensing at 907-789-6150 during office hours (M-F, 8a-5p AK Time). Staff will evaluate the emergency transfer request pursuant to CFEC regulations, including 20 AAC 05.1740(b), 20 AAC 05.1740(i), and 20 AAC 05.1750(f). Staff will make a determination and notify you of the result as soon as possible. If your request is denied, you will be notified of the denial and have an opportunity to request an administrative hearing to challenge the decision. The hearing may be conducted by telephone.
